

Feterl

**8" & 10" - 31' RED
TOP DRIVE AUGERS**
WITH DELUXE FEATURES

8" - 31' RED TOP DRIVE AUGER

Enclosed Head Assembly is Grease Packed at the Factory for Longer Life, Continuous Lubrication, Weatherproof and Dustproof.

Featuring CV (constant velocity) U-Joint Technology to Extend Component Parts Life and Provide Smooth Power Flow

Self-Leveling Mount with Belt Release Accommodates Most Gasoline Engines and Electric Motors.

**GASOLINE
ENGINE
DRIVE**

Cupped Intake Flighting for Longer Life and Increased Capacity.

Reduction Winch.

Guarded Intake with Removable Clevis Tow Hitch.

4 Bolt Hubs with Tapered Roller Bearings.

	REACH	HEIGHT
32°	9'-10"	15'-10"
MAX	9'-9"	16'-10"

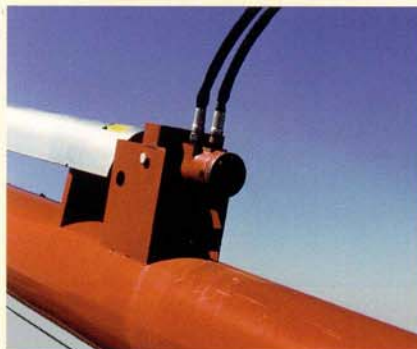

Transport Height with tongue on ground 11'-6"

Design Hydraulics Requirements

12 GPM, 1500 PSI
Gas 16 HP
Electric 5 to 7-1/2 HP

Made from 14 gauge tube;
Flighting rolled from 10 gauge.

GAS, HYDRAULIC OR ELECTRIC DRIVE

HYDRAULIC DRIVE

ELECTRIC DRIVE

Note: Electric Drive not suitable for start/stop in wet grain.

MADE IN THE U.S.A.
